

The **IELTS** test is worldwide recognised as an effective instrument to prove English language skills, either for educational or immigration purposes. **IELTS** evaluates the candidate's abilities to listen, read, write and speak in English in two formats:

- **Academic** - tests a person's ability to study in English at undergraduate or postgraduate level.
- **General Training** - used for immigration purposes.

IMPORTANT: It is the responsibility of each candidate to verify that the institution they are applying to accepts the IELTS test administered by BRITANICO.

The Test

- All candidates are tested in Listening, Reading, Writing, and Speaking
- The total test time is around 2 hours 45 minutes. The first three tests – Listening, Reading and Writing – must be completed in one day. The Speaking test may be taken, at the discretion of the test centre, up to seven days before or one day after the written test. **Speaking tests are not scheduled on the same day of the Written Test.** Candidates will choose their test dates at the time of registration, however, the speaking exam date may be subject to change at the discretion of the test centre.
