

The **IELTS** test is worldwide recognised as an effective instrument to proof English language skills, either for educational or immigration purposes. **IELTS** evaluates the candidate's abilities to listen, read, write and speak in English in two formats:

- **Academic** - tests a person's ability to study in English at undergraduate or postgraduate level.
- **General Training** - used for immigration purposes.

IMPORTANT: It is the responsibility of each candidate to verify that the institution they are applying to accepts the IELTS test administered by BRITANICO.

The Test

- All candidates are tested in Listening, Reading, Writing, and Speaking
- The total test time is around 2 hours 45 minutes. The first three tests – Listening, Reading and Writing – must be completed in one day. The Speaking test may be taken, at the discretion of the test centre, up to seven days before or after the other three tests. **Speaking tests are not scheduled on the same day of the Written Test.** Candidates will be informed of the date of the oral interview by email. Dates are not subject to change.
