

The **IELTS** test is worldwide recognised as an effective instrument to proof English language skills, either for educational or immigration purposes. **IELTS** evaluates the candidate's abilities to listen, read, write and speak in English with two tests:

- **Academic** - tests a person's ability to study in English at undergraduate or postgraduate level.
- **General Training** - used for immigration purposes.

IMPORTANT: It is the responsibility of each Test Taker to verify that the institution they are applying to accepts the IELTS test administered by BRITANICO.

The Test

- All Test Takers are tested in Listening, Reading, Writing, and Speaking.
- The total test time is around 2 hours 45 minutes. The Written Part (Listening, Reading and Writing) must be completed in one day. The Speaking test will be scheduled on the same day of the Written Test. Test Takers will be able to choose the time of their Speaking Test at the time of registration, however, it is subject to change at the discretion of the test centre, whenever necessary. Test Takers will receive confirmation of test dates by email.
