ATTENDANCE AND EVALUATION	• All participants are expected to have regular attendance for each CAE cycle in order to obtain a Final Mark based on their performance at the end of each cycle. • This means that students will be considered as FDA (Fail Due to Absences) and the cycle will be considered as incomplete if they do not complete the minimum of hours of attendance during the cycle (13), but will still be permitted to continue studying in the next CAE cycle. If you obtain FDA, contact Call Centre to register. • Participants who fail two cycles (obtain grade D) will not be allowed to enroll on the next cycle.
CERTIFICATION	Certificates will be issued at the end of the course (CAE 5) to participants gaining an overall passing grade (A, B or C) based on their performance and who have complied with the minimum attendance for each of the 5 cycles. Students who fail the last two cycles do not receive a certificate. Information about performance during the course will be recorded on the certificate.
